

After the exciting long day they told us that we were going for movies. We were all happy, we went there and went back to Mitchell House.

The next day I didn't want to go but there was nothing I can do, we prepared our selves for another match for Netball. I was Ready and when we got on the court everyone was playing very well including me. We played and then we happy.

They again ~~said~~ sang for us and we smiled when they said we should pack I was cross. Then we said bye bye to the deputy Principal and ^{the Ref} Referee.

^{OFF} we went I will visit Mitchell House again
^{special to} Thanks, Mitchell for giving us this opportunity
Love you xoxoxo
