

Dear Mrs Proctor

I would love to tell you about my trip to Limpopo and how I felt when I got there. I was so excited when I saw the Mitchell House sign. I was also excited because it was my first time going to a school in Limpopo. I thank my mother for motivating and helping me with all the activities that I was taking part in. I just thank all my friends for being there for me and each other. I wish and would really love to go to Mitchell House when I am in high school. I loved all the healthy snacks ~~thank~~ that were given to us and the chocolate that I found on my bed in the room. I was so amazed and I felt happy. Happy Happy Happy was what I felt so warm I could feel it in my blood.

I thank you Mrs Proctor for having us at Mitchell House. Thank you so much !!!
