

Limpopo trip by: Mduduzi Tshabalala

In Limpopo I had an experience of a lifetime, When we got there we had a swim. After we had lunch and played soccer, Eish they beat us 4-0, then we went to the Spelling bee they also beat us. They must have studied very hard to win. Then we went to our host family The boy who took us in was Nyiko he had 2 sister named I forgot, We went to the mall called The Mall of the North shorterend TMN We bought Pizza and we bought the game Fifa 13 for PS3 then we went home there home is huge then we ate the Pizza. then we played then we played until midnight.

Then we woke up and bathed and came to the school we played soccer they beat us again 4-0 but I felt great and then we played chess me and my friend Musa won 2 out of 3 matches

I Felt great, suprised and nervous
